

Municipality of Temagami Solid Waste Management Plan

**Public Information Session on March 8,
2012 at 7:00PM at Temagami Community
Center (Arena)**

Your municipality is seeking input on all matters relating to solid waste management:

- transfer stations
- curb side collection
- composting
- emerging technologies
- user fees
- hours of operation
- recycling
- e-waste
- waste disposal site operations
- diversion initiatives

Copies of the draft plan may be viewed at the municipal office or public library or on line at www.temagami.ca. Join us for a presentation of the draft plan and discussion on March 8, 2012.

Have your say! Comments should be submitted in writing before March 15, 2012. You do not need to attend the public information session to comment.

All comments will be considered. The Steering Committee will make changes to the Plan before it is received by Council.

Comments may be addressed to:
